

The Calico Cat

A Boutique Fabric Shop in Kaimuki

Here we are officially in Fall! As always, time flies. The shop hop this past August was exciting & fun. Many thanks to all the companies and individuals who contributed prizes to make it a success for all. A special Mahalo to Terry of Kuni Island Fabrics for making this event possible. Also congratulations to all the winners! We then participated in the Hawaii Woman Expo in September and met many new people as well as all of you who took the time to enjoy a fun event. New Home/Janome Sewing Machine was across from our booth and had a wonderful embroidery machine demo. A beautiful example is here in the shop! Come on in and check it out.

We have received so many delectable fabrics, books, patterns etc. over the summer and they are still coming in. Our recent arrivals have been more batiks as well as a cheery recycle print fabric from Michael Miller as well as a cute, Kooky frog fabric. His cute face brings a chuckle. We also have a couple of back issues of Quilts'n' more that have all sorts of projects. We will be continuing to carry these issues. Can't wait to see the new ones!

Coming up at the end of month we will be CLOSED Oct. 26 (Wed) thru Nov. 3rd because we will be at Quilt Market in Houston looking for new ideas, fabric & fun stuff! When we return our 29th Anniversary sale will commence from Nov 4th and end Nov. 12th. There will be 20% off fabric of characters (Winnie the Pooh, Hello Kitty, cats, dogs etc) and 20% off books, patterns & magazines. To top this off it's also Super Stitcher Month (Nov 4 - Nov. 30, 2011) Double-stamping on That Patchwork Place book.
